

## Security Officer – Olympic Dam

MSS Security is Australia's largest security company with over 5,000 professionals across Australia; and a national infrastructure including offices in the capital cities of all states and territories.

We currently have a number of casual opportunities for experienced security professionals to provide security and access control services within the mining industry at **Roxby Downs, Olympic Dam.**

Applicants must hold a current Security License, and a Drivers License with the ability to drive a manual vehicle is essential.

To be considered for the position, you must also address the following criteria;

- Australian Citizen
- Drivers Licence
- Security Licence
- Certificate II or III in Security Operations
- Willingness to work in a remote location
- Basic-intermediate computer literacy skills
- Excellent communication/interpersonal skills
- Responsible Services of Alcohol certification required
- High standards of presentation and grooming
- Ability to work with minimal supervision as well as in a team environment
- Ability to provide a high level of Customer Service to both internal and external clients

Initially the successful applicants will be employed on a casual basis with a view to permanency, for the right candidate. Food, accommodation and transport, to and from Roxby Downs, will also be provided.

If you believe you have the skills, experience and qualifications to successfully perform in the role and have an interest in working in the security industry we would like to hear from you.

Please follow the Apply Now link and submit your resume and covering letter.

*MSS Security is an Equal Opportunity Employer*
